[Allowing Filipino Words]
(Product name, description, image and variation should be in English)

Filipino words for listings are now **allowed**.
For better search engine results and category recommendations we still prefer English language.

For your reference regarding the reason code Product name, description, image and variation should be in English

Cover image - We will Suspend/Delete the listing if the cover image of the product contains ANY other Foreign/Chinese characters.

Other images - If contains Foreign/Chinese characters, we will be passive.
We will PASS the listing if the cover image, title, description and variation do not have Foreign/Chinese characters.

Videos and variation images will also be counted as "other images"

Clarification - If the physical product has a foreign/chinese character, we are passive.
